CATALOGUE
FOR
ACN(G), ACE(G)

The prices in the catalogue are showed in three currencies:

- ❑ PLN
- ❑ EURO
- ❑ USD

Prices are calculated at polish zloty exchange rate:

1,00 €	=	4,1000	PLN	± 3%
1,00 $	=	3,7000	PLN	± 3%

During purchasing parts, it's needed to give essential information: scale type, part name and catalog number.
We can change prices for elements from import.
Spare parts out of the catalogue You can purchase after agreement with SERVICE section of AXIS.
